Jim has worked with Medicare-related plans for nearly 10 years. He is licensed in seven states: FL, GA, IN, MI, OH, TN & TX.

Jim completes annual licensing, certification and continuing education to be compliant for the following:

- Medicare Supplements
- Medicare Advantage

He will review your specific Rx list to help match it to an appropriate Part D formulary (drug list). He will help you update this annually as long as you remain a client.

Choosing a Medicare plan is a very important decision. My goal is to help you understand the coverage, co-pays, and networks (*if applicable*) that are a part of the Medicare plans available, so that you can make a well-informed decision.

I can show you many options with a variety of carriers.

I take pride in providing professional, personal service.
